"Gorgeous cottage and location"

What a find! Tuckers Retreat (and the whole complex) absolutely lovely. The most well equipped self catering cottage we have stayed in. Even our teenage daughter loved it and our dog too! Luxury cottage with everything you need and more besides. Husband said he has not slept so well in years as it was so quiet. We loved the pool though didn't go in as often as we thought we would as the weather was great. Lovely country lane to walk the dog. Ideal for all families - have told our relatives as would be great for those with younger children with the pool, play room, outdoor facilities etc. Nice welcome pack of tea, milk, eggs etc. Loved the area, explored a lot - Fremington Quay Cafe fabulous and just a short walk away. Barnstable 5 mins away for the shops, loved the beaches - Putsborough Beach (part of Woolacombe) perfect for letting dogs run free. We all definitely want to return. Carole G., Cheshire

"Best UK Holiday yet!"

From the moment we drove down the drive and were confronted with The Roundhouse we knew this house was going to be amazing. The idillic countryside setting with, fields, streams, and beautiful well keep gardens frames this stunning property. We were unaware with how large the property was going to be. It is huge and every room is so light and airy. With Velux windows in the majority of the rooms the space feels very bright and airy. The facilities on site are excellent. The children used the pool everyday, which again is very well looked after. The children's park just opposite The Roundhouse was great too as the kids could just run over to it for a quick play on the trampolines, and claiming frame. The goats next to the park also provide to be very entertaining. We hope to make Combrew Farm a regular holiday as our kids absolutely loved it. And with the choice of Devon's fantastic beaches just a 20min drive away and Barnstable on the doorstep, this ranks far above all our previous family holidays in Cornwall. Sue the owner was very welcoming on our arrival and always on hand when we had some 'tourist' questions. Thank you Sue :-) Jamie T. , Somerset
