"Excellent accommodation with relaxing atmosphere "

This was my second visit with another already planned for Sept. Within easy reach of Barnstaple and within easy walking distance of Fremington Quay and the Tarka Trail. Combrew Farm has gym and swimming pool facilities included in your cottage hire and I cannot speak highly enough of the care and attention given by the friendly owners. You can be assured of a relaxing holiday but if you want to be out and about there are lots of places to visit. Excellent home from home.. Jill H.

"As good as always "

Our annual trip to Combrew Farm and as always the cottage standards were outstanding. We have stayed in Tuckers Retreat a number of times including our honeymoon in 2011, however this is the first time we have stayed in this particular property since 2012 and since then it has been refurbished with a new en suite bathroom which was a nice surprise. Owners are extremely welcoming and is always something we look forward to when we come down is to have a chat and catch up! On site there is a Gym which we didn't use on this occasion (due to the heatwave) and also a heated indoor pool. There is also an information room / computer room which is great to get leaflets on the surrounding area. There are also trampolines and swings as well. Thanks again Sue for a lovely break, we look forward to our next break

"Relaxing staying in spotlessly clean and superbly equipped cottage"

We returned again this year after a fabulous stay in 2016. What more can we say. My advice - book soon.
