A recent review:

"Fantastic - wonderful facilities - homely"

Reviewed 22 January 2014 for a stay in November 2013

We had previously stayed in Tuckers Retreat (2012) and booked both The Roundhouse and Tuckers Retreat for 13 family members for a long weekend (parents Golden Wedding Anniversary). The Roundhouse is a really wonderful cottage - very, very spacious, very high standard, it worked so well for a family celebration (parents could have a bit of a break in adjoining Tuckers Retreat!). Sue and John are extremely accommodating. We all loved the facilities - the swimming pool is excellent, the children also love the animals, especially the hungry goats! Combrew Farm is a very special place and we are already looking for another reason to go back!
