#### "A Perfect Holiday Cottage"

This the second time I've stayed at Courtyard Cottage this year and its proved to be perfect for staying with my family and in September just my wife. Sue and John made us feel very welcome , the cottage is of a high standard and being on one level is perfect for my wife. The Pool is wonderful and there's plenty of other facilities for the more energetic - I can't recommend it enough and will be back next year especially as the kitchen dining area will be extended this year.

#### "Wonderful accommodation perfect surroundings ideal host Sue we will be back"

#### "A home from home, but much better :)"

This is our second stay at Combrew Farm. The first time, we stayed in Rose Cottage and the adjoining Barn Owl Cottage, and because of the venue and facilities we returned. This time we stayed in The Roundhouse and its adjoining cottage, Tuckers Retreat. We had a party of 11, with the age groups going from 18 months up to 88 years ! The cottages were spotlessly clean, and combined, were extremely spacious. The kitchen has a large double oven and gas hob, dishwasher, microwave, washing machine, toaster, in fact everything you would need to cater for a large party. The dining room is situated off of the kitchen with a table that seats at least 14 !!! Leading off of the dining room and a separate hallway, is the living room, probably the most inviting room of the cottage - its huge !!! There is plenty of seating, a large tv, a large wood burner (which was used a lot - not that the cottage was cold, far from it...), and a music system. Each of the bedrooms were light and airy, with very comfortable beds. The large bedroom, with a four poster bed, had an en-suite shower & toilet. Towels were provided. The recreational facilities are spot on... There is a gym, sauna, badminton court, tennis court, swimming pool, sauna, pool table, darts, table tennis, air hockey table, trampolines, and outdoor climbing frames... all were used on our stay.... The location of the farm is on the western outskirts of Barnstaple, with local convenience stores approximately a mile in each direction. A mile back towards Barnstaple is a Sainsbury's supermarket where we made use of their delivery service. Having the food delivered saved time and space in the car. I cannot submit a review about this fantastic venue without a mention to Sue and her family. Despite all the hard work that is put in to maintaining the cottages and facilities (let alone running a working farm) it always seems that nothing is too much trouble, and everything from the initial booking to the checking out was made so easy... Our friends from this trip have already booked for next year, and we are invited... can't wait :)
