Cottage Updates

[The Roundhouse](#) is closing at the beginning of December until Christmas to complete the re-design we started in January. The reaction so far from our many regular customers has been very positive, and soon there will be an all new large walk in shower in the main bathroom, whilst in the spectacular round (hence The Roundhouse) lounge there will be new oak ballustrading and a grand luxury sofa on the raised area.

[Rose Cottage](#) is closing after New Year until mid February when the complete upstairs will be re-plastered and the 3 bathrooms re-fitted to complete the all new contemporary design.

We never like to stand still and believe in offering our valued guests luxury accommodation with our amazing array of on-site facilities to give you a truly memorable and relaxing holiday here at Combrew, whenever you decide to visit, and whatever the weather.

Being centrally located we are just minutes from all that North Devon has to offer. Why not book now and experience the joy of a [Combrew holiday](#) for yourself.
