**"Fabulous week staying in Barn owl cottage!"**

Have just returned from a fabulous weeks holiday on Combrew farm, staying in Barn owl cottage. The accommodation was everything we had hoped for and more! From arrival everything was perfect and so well thought out. Milk, biscuits and freshly laid eggs were such a lovely touch to start our holiday. Everything was clean and well maintained and the beds super comfy! A cot and high chair had been left out, as requested. Our 2 children loved the outdoor play area and enjoyed watching the goats whilst bouncing on the trampolines! We all loved the swimming pool, the best we've been in! Great location too. A couple of minutes drive from a large sainsburys and McDonald's. 10 minutes drive into the main town of Barnstaple for it's main shops and restaurants such as pizza express. Within 30 mins drive of the beautiful Woolacombe beach and we also visited Watermouth castle which was great! Overall a fantastic place to stay, can't rate Barn owl cottage (and Combrew farm) highly enough and have already recommended to friends. Very friendly and helpful hosts. Can't wait to stay again!! **"Excellent accommodation and facilities, perfect for our large family gathering!"**

All went very smoothly with booking and arrival. Being able to park outside the front door was a bonus and Sue gave us a lovely welcome and was happy to leave us to do our own thing. The activities suited our group of adults and older teens, including an athlete who needed the gym. Others took the opportunity to play lots of badminton, trampolining and use the pool. Table tennis and air hockey were less popular due to the excellent weather. We even took the opportunity to hire bakers from on site and half the price of bike hire centres near by. The accommodation itself was of a very high standard with a good mix of rooms for our various couples, brothers, and singles! The kitchen and dining areas were extensive and well equipped. Having a dining table that could fit us and visitors (13) was an added bonus. All bed linen and towels were spotless and the beds were very comfortable. The outside area incorporated a beautiful lawn and flower beds which proved to be a popular place for evening drinks, although we didn't make use of the BBQ. Thanks Sue for a great site and facilities. Left on Aug 22, 2016 for a stay in Aug 2016
