Courtyard Cottage is a fabulous cottage in an amazing location. It is fully equipped with everything you possibly need and the facilities on Combrew Farm are brilliant. We loved the swimming pool, tennis court and the games room. My daughter also loved playing at the park and petting all the goats. The surrounding area has so much to offer and we will most definitely stay again.

**"Most incredible hosts, cottage, grounds and experience!!!!"**

Left on Sep 3, 2017 for a stay in Aug 2017 It was one of our loveliest family holidays. There was so much to do at Combrew farm that we were happy to take it easy and enjoy all the amenities there; great when the weather is unpredictable. The location couldn't be better, so close to the Tarka trail and so many beautiful beaches and attractions. We've already rebooked - I think that speaks for itself!
