### "Best UK Holiday Ever"

Reviewed 13 September 2015 for a stay in September 2015

No exaggeration, this is the best holiday property we have ever stayed in. We were made to feel at home from the moment we arrived, with a welcome pack of fresh eggs, biscuits, tea bags etc. to make a much needed cup of tea after a long journey. Rose Cottage is luxurious. It has everything you could need during your stay. We were a mixed family group of 5 age ranges from 19 to 80, but the cottage is so spacious we did not feel we were in each others way. The kitchen diner is to die for and the beds, well, what can I say, they are like sleeping on a cloud. Thank you for our wonderful holiday we will 100% be back, we did not want to leave. Deborah A., West Sussex.

### "Wonderful family holiday in a superb house"

Reviewed 26 July 2015 for a stay in July 2015

We were met at Combrew by Sue after a very long journey. We were shown round the absolutely lovely house and facilities. All through our stay Sue couldn't have been more helpful with local information and advice. The house had everything you could need for a great home from home staycation, all the facilities were excellent. The beds were very comfy and the bathrooms sparkling. The local area is fantastic and we would recommend hiring bikes and cycling along the Tarka Trail to Instow. Also a visit to Appledore (have a pint at The Beaver) and Saunton Sands. The weather was a bit hit and miss during our stay but the grandchildren were happy just being in the pool, feeding the goats or playing badminton or ping pong. We would love to visit again and would recommend without hesitation. Mrs. Stewart, Chester.
